OPENING RECEPTION SATURDAY, AUGUST 30, FROM 7-10PM
ON VIEW AUGUST 30 - SEPTEMBER 13

Culver City (August 19, 2014): On Saturday, August 30th, Corey Helford Gallery's extremely successful Art Collector Starter Kit group exhibition (March, 2013) returns for its second annual event with all new 12" X 12" works from an exciting line-up of new and established New Contemporary artists. Participating artists this year include world-renowned painters such as **SHAG, Sas Christian, Colin Christian, Michael Hussar, Miss Van, Natalia Fabia, Brandi Milne, LOLA, Tokidoki, Paul Frank Sunich, and Sylvia Ji.** Joining for the first time are some incredibly strong new voices, including **Hikari Shimoda, Jennybird Alcantara, Melissa Forman, Nicomi Nix Turner, Victor Castillo, Nathan Ota, Yosuke Ueno, Bumblebeelovesyou, Hueman, Bob Dob, So Youn Lee, Will Barras, Redd Walitzki, Tom Bagshaw, and Yukino Fukumoto.** Joining us for the second time, CHG is proud to announce the continued participation of **Alexandra Manukyan, Beau Stanton, Camilla d'Errico, Carlos Ramos, David Stoupakis, Greg Gossel, Joey Remmers, Nouar, Richard J. Oliver, and RISK.**

The motivation behind an exhibition of all 12" X 12" paintings stems from the fact that newer collectors, or enthusiasts, who have never bought an original piece from one of their favorite artists, may now do so. CHG, through its CIRCA gallery, continues to pursue its mission of spreading the joy and satisfaction of art appreciation and collection to the larger, often not reached, public that sees itself

somewhat outside the elevated world of gallery attendance and/or the pleasure that comes from the owning of original art. The art world often seems to have an invisible wall, making some patrons feel unwanted. CHG, through its live events, open to the public, and its free print and free poster program - 17,000 anti-war posters created by some of the top artists in the New Contemporary scene were given away at the Art Basel art fair in 2007 - hopes to create a more welcoming experience for these patrons and the affordability of 12" X 12" original works is a step in that direction.

CHG Circa

Established in 2012 by Los Angeles gallerists Jan Corey Helford and Bruce Helford, CHG Circa is their exciting new art venue on Washington Blvd. After launching the highly-successful Corey Helford Gallery in 2006 in the Culver City Arts District, the Helfords opened CHG Circa as a platform to highlight figurative and pop surreal artists worldwide, including Lola, Van Arno, Sylvia Ji, Amy Sol and many more. Corey Helford Gallery is internationally-renowned for its standout exhibitions, from "Letters From America" during the 2012 London Olympics to "Art From The New World," Corey Helford's transatlantic collaboration with the Bristol's City Museum & Art Gallery showcasing work by a formidable group of 49 of the finest emerging and noted American artists in the New Contemporary art scene. CHG Circa will present exhibitions and special projects of equal quality and caliber. "We believe the artists we show and support are creating timeless art," the Helfords add, and to celebrate this, CHG Circa will have an elegant 1930s' ambiance, stamped tin ceilings and 10 foot archways. CHG Circa presents new exhibitions every 4-5 weeks. For more information and an upcoming exhibition schedule, please visit coreyhelfordgallery.com
